TEEPAKORN SANGIAMSAK

Junior FullStack Developer

Phone: 095-613-3346 │ Email: teepakorn.snis@gmail.com │ Github: Jacob-SSR

ABOUT ME

I recently completed a Full Stack JavaScript course at Software Park CodeCamp Thailand #19, where I gained hands-on experience building real-world applications in Agile teams. I'm a fast learner who enjoys solving technical challenges and creating user-friendly solutions. I'm now seeking opportunities to grow as a developer and make a positive impact through technology.

Experience

IT Support (Internship) Prakhonchai Hospital (January 2024 - February 2024)

- Provided hardware and software maintenance for hospital computers.
- Installed Windows 10/11 and configured shared printers over LAN.
- Connected and maintained LAN network infrastructure.
- Coordinated with internal staff to resolve IT issues.

BackEnd Developer (Internship) Billion B Property (November 2023 - January 2024)

- Tested and reported website issues to the development team.
- Edited promotional videos and created social media content.
- Coordinated with internal teams and external agencies for project alignment.

Projects

SHOESHOE

- Revolutionized online shoe shopping with an intuitive, user-friendly design.
- Integrated AI-powered features for personalized shopping experiences.
- Provided robust business management tools for efficient store management.

GREENCART

- Developed a full-featured e-commerce platform with product browsing, cart functionality, checkout, and order management.
- Implemented secure authentication and authorization using JWT.
- Integrated Stripe for secure and seamless online payments.
- Designed a modern, responsive UI using React and Tailwind CSS.
